Royal East Sussex Hospital Annual Report 1933

The Committee present to the Governors their Ninety-fourth Report of the work done at the Hospital and the statement of Accounts. The Governors are to be congratulated that despite the difficult financial times the annual income is well maintained, although there are many residents of Hastings, St. Leonards and the surrounding district whom they would be happy to welcome as Governors. If sympathetic interest in the Hospital were more widespread, the Committee would have a great load of anxiety taken from them. It is the comparative uncertainty of the income which causes such anxiety when a more than usually heavy call is made for supplying new apparatus and surgical necessities. The maintenance of the fabric is naturally an increasing expense and must continue to be so if the building is to be kept in proper repair. Nevertheless the first call upon the resources of the Hospital is the care of the patients. The standard of the work done has never been higher; the self-sacrifice of those who give their time and energy to the well-being of the patients has never been greater. The Governors have a loyal staff, medical nursing, and lay, who are devoted to their duties, and the Committee desire to record their gratitude to them all for their unremitting services.

The year 1933 will be chiefly notable as being that in which the long-delayed Nurses' Home took practical form; a contract for its erection was signed during the year and the builders began their task of reconstruction in September. A Nurses' Home Fund is generally the Cinderella Fund amongst Hospital Appeals, but your Committee gladly acknowledge the magnificent response that has been made to enable them to proceed with the scheme. At the end of 1933 a sum of £13,652 14s. 6d. had been subscribed, and although your Committee will have shortly to appeal for more funds for the Home, they express their profound thanks for the support accorded them hitherto.

A nurse's life is one of continuous sacrifice and some home comfort should be forthcoming during the few off-duty hours she can be allowed. As far back as 1909 the Committee were confronted with difficulties over the quarters for their Nursing Staff, and it will not be until 1934 that the nurses will occupy their new quarters. A building worthy of the Hospital and of the town is at the time of writing fast nearing completion, and it will prove to be a Home in the best sense of that charming word.

Your Committee present the following statistics and the corresponding figures of ten years ago :—

		1933.	1923.
No. of patients admitted	...	1,770	892
No. of out-patients	...	13,381	5,183
No. of out-patient attendances	...	72,027	55,259
No. of casualty patients	...	2,947	1,355
Total cost per in-patient £10 7 8	... £13 13 0
Total weekly cost per in-patient	...	£3 3 6	£3 11 10
Average length of stay of each in-patient	...	22.88 days	26.5 days
Total cost of each out-patient	...	7s. 10d.	14s. 3d.
Total cost of each out-patient attendance 1s. 5d.	1s. 4d.
Total ordinary income	...	£21,769	£12,593
Total ordinary expenditure	...	£23,544	£15,876

The present Hospital having been opened for ten years these statistics are of particular interest showing as they do the great amount of work being done. The increase in income is not due to an advance in the annual subscriptions ; these do not show such a ratio of increase as the work of the Hospital warrants. The income is from new sources, such as the Hospitals Benevolent Fund for East Sussex, the League of the Golden Penny, and Funds of a similar nature. Income for services rendered now looms largely in our yearly Hospital Budget, and it is fair to record with grateful thanks the share that the patients give towards the help rendered them. Experience shows that some patients give out of proportion to their means in thankfulness for restored health.

It is with sincere regret that your Committee have to record the death of Dr. J. W. Batterham, who, for 26 years, had been a member of the Honorary Surgical Staff. The late Dr. Batterham was elected to the Honorary Staff in 1890 and resigned his position in 1916 as an active member and became an Honorary Consulting Surgeon. Leaving Hastings, he retired to live at Northiam for several years, but upon returning to the town he renewed his active interest in the Hospital and was elected to serve upon the General Committee in 1929. Your Committee place on record their gratitude and thanks for all the years of devoted work he gave so readily to the Hospital.

By the resignation of Dr. H. S. Gabb, who was elected to the Honorary Staff in 1916, your Committee have lost the valued services of one who was always ready to help the Hospital by the gift of his time and energy. Dr. Gabb, in his farewell letter to your Committee, states that "though relinquishing my post of honour, I shall always take a great interest in the affairs of the

Hospital to which I have given my best endeavours for over 17 years." Your Committee take this opportunity to record their appreciation and thanks to him for those services.

Mr. John Button, a member of the Honorary Dental Staff, also resigned his post in the course of the year, and your Committee express their gratitude to him for his eight years of valuable service to the Hospital.

To fill the vacancies thus occasioned on the Honorary Staff of the Hospital, Mr. F. E. Daunt became an Honorary Surgeon, and Dr. Ian M. Robertson relinquished the post of Honorary Anæsthetist to be elected as an Honorary Assistant Surgeon, and Dr. Gordon Nesbitt Wood was appointed as Honorary Anæsthetist. In the vacancy caused by Mr. Button's resignation, Mr. Leslie V. Sherrin was elected.

Another resignation your Committee had before them was from Miss E. M. Ginner, their Honorary Almoner. Owing to ill-health, Miss Ginner severed her close connection with the Hospital which had lasted since the early days of the War. Miss Ginner, who is also Commandant of V.A.D. Sussex IV, which Detachment has always been attached to the Hospital, gave years of valuable service as Almoner. It was with the greatest regret that your Committee accepted her resignation, and they place on record their gratitude to her for all that she has done in the interests of the Hospital and express the earnest hope that Miss Ginner may soon be restored to health.

The Linen Guild lost the services of its Hon. Secretary by the resignation, owing to ill-health, of Mrs. Christopherson. It was in 1914 that Mrs. Christopherson was elected as Hon. Secretary of a Guild which does such important work for the Hospital in a very unobtrusive manner. Your Committee gratefully thank Mrs. Christopherson for her very kind services and express a sincere wish for her ultimate recovery to health. It is perhaps of interest to state that Mrs. Christopherson was present at the first Linen Guild meeting in 1903, thus completing thirty years' membership of the Committee. Mrs. Norman Ticehurst was elected by the Linen Guild Committee to fill the vacancy in the Hon. Secretaryship.

An emergency lighting apparatus was installed in the Operating Theatre at a cost of £105. This will automatically come into operation should the ordinary lighting fail at any time, providing a safeguard against the risks of an accident that might arise.

Through the kindness of the Mayor's Employment Committee, the outside iron-work of the Hospital received a much-needed renovation at the hands of the unemployed painters, the sole cost to the Hospital being the price of the materials.

One of the most profitable innovations of the year was the Gift Week ably organised under the chairmanship of Lady Isham. Instead of the usual Bazaar the ladies decided upon this form of raising the very necessary funds. The town and country districts were divided into wards and parishes, the town being presided over by Lady Isham and the country districts by Lady Brassey. With the aid of a very numerous band of helpers, who took charge of the various districts, a sum of £1,201 16s. 6d. was collected. A great deal of work was necessary long before the Gift Week itself matured in advertising, and over 35,000 envelopes were addressed by many willing helpers under the guidance of Mr. R. F. Boutwood and Mr. A. Lacey. Despite the large amount of advertising, the expenses were only £104 17s. 9d., so that the nett amount received by the Hospital was £1,096 18s. 9d. Your Committee are indeed grateful to everyone who contributed towards this very satisfactory result, and Lady Isham is to be congratulated upon the splendid manner in which she carried out a venture that was without precedent in the Hospital history.

It is again our pleasure to express sincere thanks to everyone who assists in the welfare and progress of the Hospital.
